Date: July 25, 2018  
Location: Edmundston, New Brunswick, CA  
Position title: Production employee/day labourer

### Company profile

Corruven is a technology company specializing in the manufacture of products for the architectural and packaging markets. Our goal is to put together a strong team of leaders with a view to building a better world by means of game-changing innovation.

We help our clients to reduce total costs, diminish their environmental footprint, reduce logistical costs and create new growth opportunities.

Corruven's production employees report to the team leaders, as well as to the Production Director.

### Responsibilities
